### **BEAVER STREET FISHERIES TAKING RESPONSIBILITY FOR SAFE LABOR SOURCING**

**JACKSONVILLE, Fla. (October 5 2017)** — In response to recent AP reports surrounding plants in Hunchun, China taking part in employment of North Korean workers – Beaver Street Fisheries, Inc. would like to reassure each of our customers as well as consumers, that we do not source or distribute any product that is produced in Hunchun, China. As a company with transparent operations, we pride ourselves in a visible and closely inspected and monitored supply chain.

We take social responsibility very seriously and hold our partner plants to the same high standards. As such, we can confirm with utmost confidence and the best of our abilities that none of the seafood we sell is produced in a plant that employs undocumented workers or slave labor from any country.

###

**Beaver Street Fisheries™** is a leading importer, manufacturer and distributor of quality frozen seafood products from the USA and around the world. For more than 60 years, we have provided quality products to the foodservice industry and more recently to the retail market. BSF built its reputation as a quality distributor for the foodservice industry. This established success opened opportunity for our company to expand into the retail market and quickly become a key player in the category. Building off of the customs and values of our company's core, in 1979 the Sea Best® retail brand was established. This brand reflects Beaver Street Fisheries' decades-long experience in the industry and continual goal of providing the highest quality frozen seafood and offering consumers new options at a great value.

Today, we are recognized as one of the leaders in the seafood industry and provide our customers with one of the largest seafood offerings available in the United States.
